

Lightweight Backpack Vacuums

Finally, affordable backpack vacuums that are comfortable.

Comfort leads to productivity

An ergonomic harness designed by backpacking experts helps you carry approximately 11 lb / 5 kg efficiently, maximizing comfort through weight distribution to the operator's hips, not back.

Healthy, proven performance

Cleaning performance is certified Bronze by the Carpet and Rug Institute's (CRI) Seal of Approval program with standard 4-stage HEPA filtration.

Durable and Affordable

Major components have been proven in commercial applications for over 4 years. These backpack vacuums deliver high value at operating costs, up to 25% less than other commercial vacuums.

Get comfortable, and let the V-BP-6 and V-BP-10 backpack vacuums relieve the stress on your budget and the operator's back.

Key Benefits

- LEED qualifying with CRI SOA Bronze Performance and noise levels less than 70 dBA.
- Increase comfort and safety due to lightweight design at approximately 11 lbs / 5 kg.
- Start productive cleaning with a set of standard tools for both hard and soft floor applications.
