

Classic Pink

Pearlescent Lotion Hand Cleaner

- **Luxurious lather**
- **pH balanced**
- **Pleasant fragrance**
- **Economical**
- **Effective in hard or soft water**

Classic Pink is a gentle, creamy lotionized liquid hand cleaner made from cosmetic grade ingredients. Although it produces copious foam, Classic Pink has extremely low defatting action on the skin and leaves a soft, non-oily after feel. Classic Pink cleans effectively in hard or soft, warm or cold water. It rinses easily from the skin and leaves a light, pleasant aroma.

Classic Pink is a high quality, economical general purpose hand cleaner. Making it the perfect choice for use in schools, restaurants, offices, shopping centers and other public restrooms.

Classic Pink is viscosity adjusted to use in most conventional pump or gravity feed dispensers. For best results, rinse dispenser with clear water before initial filling. Use undiluted.
