

Count Down

Lotion Hand Soap with Antibacterial Agent BZK

Leaves skin soft ♦ Gentle but effective ♦ Non-staining
Contains aloe vera and glycerin ♦ Clean fragrance

Count Down is a blend of mild cleansing agents ... aloe vera and BZK, a proven broad spectrum antibacterial agent. It produces a luxurious lather that removes dirt but has little effect on natural oils. Healing aloe vera is added to soothe and moisturize skin. Count Down is made without artificial dye that can discolor vanity or counter tops.

Initial Installation

Count Down is viscosity adjusted to work in most conventional soap dispensers. Rinse dispenser thoroughly with clear water before initial fill with Count Down to assure antimicrobial activity isn't diminished.

Uses:

Count Down is formulated to clean and moisturize skin. Count Down is recommended for repeated use.

Directions

Wet hands with water. Dispense enough Count Down to work into a lather. Continue washing for at least 30 seconds. If hands are heavily soiled, a second application may be required. Rinse hands with clean water and dry thoroughly.

Packed 4 gallons per case.
Product# J11CD1 - 1 Gallon
