

EASY SHINE

One Step Wash and Wax

Easy Shine is a concentrated wash and wax automotive detergent that not only removes soils, but restores and protects the shine in one easy step. Easy Shine also reduces water spotting and decreases drying time.

DIRECTIONS

1. Dilute 2 to 4 ounces of Easy Shine per gallon of water in a bucket.
2. Thoroughly rinse vehicle with cold water to cool surface.
3. Apply Easy Shine with a sponge, rag or wash mitt, being sure to wipe over entire area.
4. Rinse thoroughly. (Make sure to rinse prior to product drying)

Do not use on fresh paint prior to paint manufacturer's recommended cure time for wax application.
