

Orange One

Power Spray

Hard Surface Cleaner - Carpet Spot Remover

Excellent hard surface cleaner.

Quickly dissolves grease, petroleum oil, smoke film, smudges, lipstick, cooking oil and food stains. Cleans doors, walls, counters, file cabinets, appliances, machinery and equipment.

Great for carpets too!

Instantly breaks the oily film that binds dirt to carpets. Effective on oil and water based stains. Will not "set" spots. Can be used as a prespray prior to extracting.

Safe and pleasant to use.

Orange One is formulated without caustics or silicates. Safe to use on any washable surface even glass and aluminum. Doesn't generate "alkaline bite" that can irritate eyes and nose when spraying.

Deodorizes while it cleans.

Orange solvents increase efficiency on oily soils while imparting a fresh citrus fragrance during the cleaning process.

Orange One

The most versatile cleaner you'll ever use!
