## CREME CLEANSER

### A UNIQUE FORMULA CONTAINING HARD WORKING DETERGENTS, A MILD "JEWELERS GRADE" ABRASIVE AND

an extra thick, synergistically blended detergent-based cleaner designed to tackle the toughest cleaning jobs. Effortlessly removes stubborn organic stains, rust buildups, grease, oil, soap scum, rubber heel marks, and a whole lot more.

**Contains Mild Abrasives...** Our formula contains mild jewelers abrasives for deep-cleaning action, yet safe on porcelain, ceramic tile, stainless steel, fiberglass, and formica when used as directed.

**Superb Whitening Power...** This USDA authorized formula contains an oxygen type bleach to remove stubborn coffee and berry stains.

### A MILD ABRASIVE... FOR TOUGH CLEANING JOBS

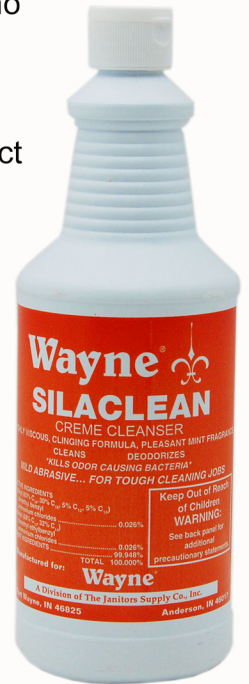

Recommended for cleaning those tough-to-remove soils and stains in showers, restrooms, and other areas in schools, manufacturing plants, hotels, motels, hospitals, nursing homes and institutional settings. Excellent for removing stubborn spots, build-ups, scuffs, grease, rubber marks, hard water deposits and soap scum. Use on glazed porcelain, glazed ceramic, chrome, formica, fiberglass and other hard inanimate non-porous environmental surfaces. Controlled sudsing...free rinsing...leaves no film.

For use in food and beverage processing facilities, this product is restricted to use in inedible product processing areas.

Packed 12 quarts per case.  
Product# C05SCL

### DIRECTIONS FOR USE

- Squeeze directly on surface or on wet cloth, sponge or brush.
- Loosen soil with rubbing action.
- Rinse. For a bright shine, polish with a soft dry cloth.

### Safety Data:

**WARNING:** Keep Out of Reach of Children.  
**EYE IRRITANT:** Causes severe eye irritation.

### Statement of Practical Treatment:

**EXTERNAL - DO NOT GET IN EYES.** In case of contact with eyes, flush with plenty of water and get medical attention if irritation persists. Harmful if swallowed. If swallowed, give raw egg white mucilage, or cornstarch. Call a physician immediately.
