

Wayne® B.O.S.S. Job Matched Solvent Degreasers/Cleaners

B.O.S.S. CFS *Citrus Fortified Solvent*

Problem Solving Cleaner ... B.O.S.S. CFS is a 100% active, water rinsable solvent cleaning formulation designed to work where water based detergents fail. It is a fast, easy and reliable solution to many difficult cleaning tasks.

Versatile ... B.O.S.S. CFS removes gum, grease, candle wax, tar, adhesives, crayons, rubber burns, marker inks and fresh paint.

Citrus Powered ... B.O.S.S. CFS combines the high potency solvent power and fresh aroma of orange solvent with aliphatic solvents, alcohols, glycol ethers and detergent emulsifiers in a balanced formula for exceptional performance, pleasant fragrance, rinsability and ease of use.

Uses: Graffiti Removal ... Marker ink, crayon, lipstick, fresh paint

Carpet Spotting ... Removes tar, gum, candle wax, grease

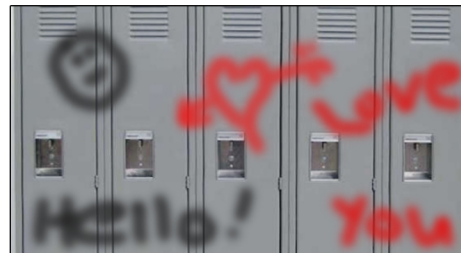

Auto Detailing ... Removes road tar, asphalt, undercoat

Rubber Burn Removal ... Lift truck skids, tire marks, heel marks

Use On ... Concrete, brick, ceramic, carpet, baked enamels, urethane and epoxy

Application ... Spray or wipe on surface with moistened cloth. Agitate if necessary. Rinse with clear water.

B.O.S.S. Cold Solvent Degreaser with Natural Citrus Solvent

Description ... Water clear liquid with citrus odor.

Composition ... Blended of aliphatic and citrus solvents.

Uses ... Degreases and cleans electric motors, parts, tools, vending and packaging equipment.

Advantages ...

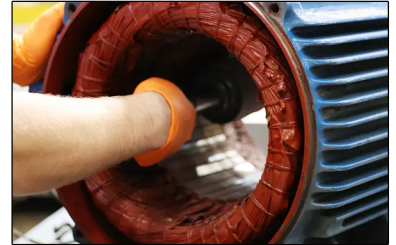

Non-conductive ... Safe for use around electricity.

Contains no water ... Dielectric constant of 25,000 volts.

High flash point ... Over 140°F flash - safer than mineral spirit based products (104°F flash).

Pure solvent ... Evaporates completely. Leaves no residue.

Contains citrus solvent ... Speeds removal of grease or waxy residue. Pleasant odor.

Used by ... Air conditioner and cooler repair, factory maintenance, vending companies (wax build-up).

Used on ... Electric motors, generators, tools (wiping solvent), dies.

Stock#: J11BOSS5 5 gallon pail J11Boss55 55 gallon drum

B.O.S.S. Soy Solv 90 Asphalt, Tar and Mastic Remover

Description ... Amber liquid with almost no odor.

Composition ... Soy methyl ester solvents and detergent emulsifiers

Uses ... Asphalt trucks and equipment, black mastic removal.

Advantages ...

Slow evaporation ... Stays wet until job is done.

Virtually odorless ... Can be used in occupied areas.

Water rinsable ... Easy clean up.

Responsibly formulated ... Over 90% bio-renewable content. No petroleum solvents

Safer to use ... High flash point 200°F. Low VOC's.

Used by ... Tar and asphalt companies, flooring contractors.

Used on ... Cement, painted trucks and equipment.
