Multi-purpose uses

Restrooms - Excellent for stopping cross-contamination from sinks, toilets, floors, shower stalls and locker areas.

Food Service - The perfect solution for countertops, appliances, tables, floors and walls.

General Housekeeping - A one-step germicidal cleaner and deodorant for cleaning, disinfecting and controlling mold and mildew.

The best just got better!

High concentrations of water soluble solvents, penetrants and chelates remove the most difficult soils ... even grease, oils and hairspray.

One fast step ... just spray and wipe.

It eliminates odors leaving surfaces smelling clean and fresh.

Wayne D-Cide 2 is safe for most washable surfaces.
