

# WASP, BEE & HORNET KILLER

Wasp, Bee and Hornet Killer reaches nests up to 20 feet above the ground, letting you kill wasps, bees, hornets and yellow jackets from a distance. For best results, soak the nests with the spray in the evening, after all the insects have returned. This product has a dielectric breakdown voltage of 37.8 kv (as measured by ASTM test method D-877-87); it will resist electrical current up to 37,800 volts.

- Wasp, bee and hornet insecticide
- Rapid knockdown and kill
- Reaches nest up to 20 feet above ground
- Dielectric strength of 37.8 KV
- Active: Synthetic pyrethroid, Tetramethrin
