

T³

Tub, Tile and Toilet One Step Cleaner

Premium Multi-Surface Cleaner ...

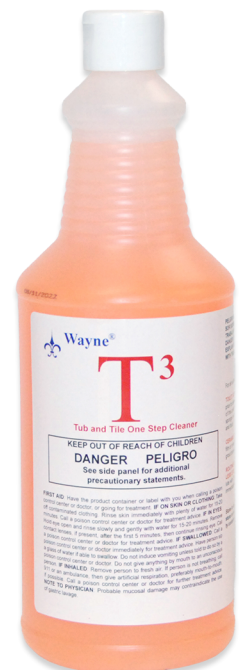

Wayne T³ is our premium multi-surface, mild acid toilet bowl cleaner. T³ is a thickened 16% phosphoric acid-based bowl, porcelain and bathroom cleaner. It clings to vertical surfaces for increased cleaning power. The pleasant mint scent leaves areas smelling clean and fresh. T³ is extremely effective on a variety of surfaces and soils. Use where hydrochloric acid formulations cannot be used. T³ is formulated for today's environment ...safe for the end user, and is still effective to get the job done.

Product Placement

T³ is recommended as a one step cleaner and deodorant for toilet bowls and urinals in light to medium hard water areas, or other areas where lime scale, calcium salts and other deposits exist. It easily and quickly removes uric acid salts and other sources of bothersome odors. T³ can be used on toilet bowls, urinals, ceramic and plastic tiles, shower walls, stainless steel fountains and other acid resistant surfaces. Use where hydrochloric acid formulations cannot be used.

Advantages

- ✓ Multi-surface use
- ✓ Safe and effective...no fuming
- ✓ Thickened viscosity - clings to vertical surfaces
- ✓ Pleasant mint fragrance
