

TOUCH-N-GO

GRAFFITI REMOVER AND
WHITEBOARD RENOVATOR

Fast - Economical - Nonflammable - Effective

A great solution for stubborn graffiti

Fast

Goes to work on contact ... removes most marks without excessive rubbing or scrubbing.

Effective

Removes marker, most inks, pencil, crayon, lipstick and shoe polish.

Versatile

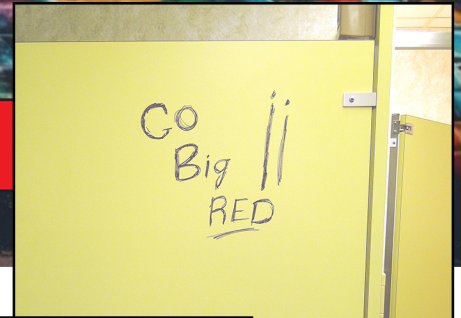

Use on laminate desks, counter tops, modesty panels, lockers, glass, ceramic and porcelain tiles and restroom fixtures.

Convenient

Supplied ready-to-use ...
no mixing or measuring ...
just spray and wipe... jobs done.

Safer to Use

Nonflammable, noncombustible,
noncorrosive ... requires no special
handling or storage.
