## Enzyme Fortified Laundry Detergent with Oxygen Bleach

A premium quality product for use in institutional and industrial laundry applications. Offers superb removal of oily and particulate-based soils on cotton, linen and most other fabrics. Very effective over a range of water temperatures, water hardness conditions, and soil levels. Fortified with oxygen bleach for color-safe brightening of all fabrics. Also contains enzymes, anti-redeposition agents, anionic and nonionic surfactants, water conditioners and alkalis for exceptional cleaning performance. Convenient solid form minimizes chemical contact. Fresh fragrance.

### Directions for Use

This product is designed to be dispensed with equipment installed and/or approved by your Service Representative. Remove cap and invert bottle on proper solid bowl dispenser. Consult your Representative for information on equipment setup, usage level and cleaning procedures. For best results, use with hot water.

### Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from [www.crown-chem.com](http://www.crown-chem.com).

### Technical Specifications

Appearance	Blue Solid
Odor	Fresh & Clean
pH (1% solution, 22°C)	<11.0
Foaming	High
Flash Point	NA
Bulk Density (lbs/gal., 22°C)	9.60 ±0.1
Stability Range	20-120°F
Free Alkalinity (as Na <sub>2</sub> O)	Moderate
Solubility (in H <sub>2</sub> O, 22°C)	100%
Phosphate Content (as P)	<7.0%

### Product Number

25046

\*Bottles have grip handles

### Packaging

4x6 lb. case\*

Suitable for  
High Efficiency Machines
